

I'd like to remind everyone that we live in the USA, home of the free, Land of opportunity!!! So yeah, the NAB can file their petition, it's their right. But that's all it is, a petition. I said two sentences ago that the USA is the land of opportunity, all XM did was sieze that opportunity. I also do not see how the NAB can file complaint about XM. As long as XM is not plagiarizing their reports off the NAB, there is no complaint.

One last thing, I pay for this service! I do not have the time to sit around and listen for JoeBob the Disc Jockey to tell me about the traffic 10 min. too late.

I'd like thank you for taking the time to here my opinion on this matter and I hope that you see my point of view.
